- Stone Soup was a yummy celebration in Ms. Wilson's Grade 3 class

- In November & December, our Core Ethical Value will be Empathy.

New School Year! New Newsletter Format!

Our monthly newsletter will, from this point forward, be short and sweet. We will provide parents and families some reminders and information, but we look towards the future with creating social media pages to share our successes and what goes on in our school.

Coming Soon!

Under Construction!
