In and Around Westwood School:

- Thank you to all who donated and /or volunteered their time for our annual Westwood School Craft Sale. We had an excellent turnout and roughly \$2000 was raised for our Student Activity account and \$2400 for the IDEAL site. Thank you to Ms. Wilson for her dedication to organizing this event.
- Thank you to the staff who organized a lovely Remembrance Day Assembly.
- Westwood hosted a Deaf & Hard of Hearing Workshop on Nov. 7th welcoming students from across the district.
- Thank you to all parents who acknowledge the importance of education by attending your child's Student-Led Conference.
- A number of Westwood Gr. 6 students spent the day at the VRCC to participate in the annual Trades and Technology Olympics.
- Teachers have been busy writing report cards. You are encouraged to login to Parent Connect as soon as it is announced that they are open for viewing.
- We have been working hard at encouraging our students to attend school daily and be on time. Regular attendance is a proven indicator of academic success.

Food Allergies, what are they?

A food allergy is when the body's immune system reacts to a protein in food as being harmful and causes an allergic reaction. This is why everyone needs to be very careful when packing school lunches and snacks.

- Read food labels and avoid sending foods that contain nuts
- Discourage your children from sharing their food at school
- Encourage your children to wash their hands before and after eating
- Please inform the school of any allergies.

** add your schools allergy policy here/or allergy restrictions here.*

For more information, please visit Food Allergy Canada at <https://foodallergycanada.ca/>

Westwood School would welcome the involvement of a parent council, as we did not have representation this past school year. If interested, please feel free to relay your interest via the contact information above. Your involvement and support will be greatly appreciated.
