### In and Around Westwood School:

- Thank you at all who supported the IDEAL site Colibri fundraiser. We raised \$488.50 to use toward the development of our new Sensory Room.
- Our junior high students participated in the Youth Behaviour Survey.
- A number of classes had the opportunity to participate in a Coding Mobile seminar.
- Gr. 6 & 8 students received their immunizations.
- Our Gr. 8s participated in a national program called RCMP TALKS. See our school blog for a detailed write-up on this unique learning opportunity for our students.
- Thank you to all who donated to SALT's WE SCARE HUNGER campaign. They gathered about 500lbs of non-perishable food for our local food bank.
- SALT hosted an early Halloween Sock Hop and Dance...much fun was had by all.
- Eight SALT members attended WE Day in Winnipeg. They also attended wonderful educational presentations at the Winnipeg Art Gallery and the National Centre for Truth & Reconciliation.
- All grades participated in another Spooktacular Halloween Parade.

### Trick or Treat!

Halloween is one of the best times of the year for children. Remember, it is only one day out of the whole year. Let your children indulge on Halloween treats on October 31 and for the days and weeks that follow, perhaps adding a moderate amount of special treats. To add in some nutrition, you can pair the treat with a piece of fruit and don't forget to brush your teeth!

Westwood School would welcome the involvement of a parent council, as we did not have representation this past school year. If interested, please feel free to relay your interest via the contact information above. Your involvement and support will be greatly appreciated.
